Display Your Antique Quilts

We received such positive feedback about last year's Antique Quilt display that we want to invite you to share once again.

Displayed quilts must be 40 years old or older. The quilt will NOT be judged, but will be displayed for hundreds of showcase attendees to view and admire. Quilts must be hand quilted and in good enough condition to be hung on the walls. The same entry fees and display time schedule apply. You will be asked to sign a waiver of liability before the quilt can be accepted into the show.
